A Family-Friendly Weekly Update

According to the governor's mandate, anyone attending any activity inside a school district facility must wear a mask. All activities include those attending meetings (School Board Meetings, booster group meetings, etc.), events, and performances. In addition, all visitors to the buildings must wear masks to enter.

☑ UPMC Children's Hospital of Pittsburgh is proudly partnering with Allegheny Valley School District to vaccinate students, staff, and community members against COVID-19. ☑ Springdale Jr-Sr High School invites families and residents to join them on December 15 for the annual Holiday Band and Choir Concert.
