

Pennsylvania Pre-K Counts

Pennsylvania Pre-K Counts, established by the Pennsylvania Department of Education, is bringing quality half-day and full day pre-kindergarten to 3 and 4 year olds in Pennsylvania.

Why does my child need to attend a high quality pre-kindergarten program?

Quality pre-kindergarten prepares children for reading and math, but also for paying attention, following directions and getting along with others.

Enrolling your child in quality pre-kindergarten means your child has a better chance of being ready for kindergarten. With a strong early start in pre-kindergarten, they have a better chance of doing well in school, going to college or career training, and getting a good job. All of this can start by enrolling your child in PA Pre-K Counts!

What can I expect from a PA Pre-K Counts classroom?

Pennsylvania Pre-K Counts classrooms will:

- have teachers with the education and expertise to teach young children;
- use a curriculum that will help your child grow, academically and socially;
- regularly review your child's progress and choose teaching and learning activities that are best for your child;
- help you and your child adjust to pre-kindergarten and smoothly move on to kindergarten;
- offer a small class size so your child can have plenty of one-on-one time with the teachers.
