

Ticket Sale Information:

Student and Adult Tickets will be available online thru GoFan.co Attached is that one sheeter that breaks down how to validate tickets. Below I also included the GoFan “how to guide”. It hits on a few other topics, but also includes a great video on how to use tickets if you would like to send that out as well.

- General Admission tickets can be sold at the gate for \$7 thru the Semi-Finals. No student tickets will be available at the gates (only available online).
- All Championship Tickets will be \$10 both online and at the gate. Most Championship Venues will utilize the Ticketmaster platform for purchasing.
- Schools will need to use their own physical tickets at the gate. As long as the tickets sold are shown/known on the appropriate WPIAL reporting form, they are acceptable to use.
- First and last tickets must be attached to the ticket sheet.
- There should be no re-entry or re-use of a ticket.
- The WPIAL Game Managers will reconcile only the tickets sold at the gate the day of the game.
- WPIAL courtesy passes are acceptable to all WPIAL playoff games.
