

Hello Acmetonia Elementary Families:

As we continue to monitor both the arrival and dismissal process for safety and efficiency, time changes will be occurring next week 9-27-20, regarding the parent/student drop-off and pick-up procedures. These changes will enable our arrival and dismissal process to move students in and out of the school building sooner, while still maintaining safety for our students. Please see the new schedule change below.

Thank you for your continued support and patience as we move through this unique school year.

Mr. Heavner
