

Springdale Parent/Guardians,

Welcome to the Dynamos' Portal for Family ID. Below you will be able to complete all parts of the PIAA mandatory Pre-Participation Physical Exam **EXCEPT** for the Section 6 which is the doctor's clearance form. The Section 6 or doctor's clearance page can be either uploaded directly to the Family ID portal or a hard copy can be delivered to TWO LOCATIONS. **Those locations are: Main Office of the High School or the Athletic Training Room.** This form **SHOULD NOT** be handed to a member of your daughter/son's teams coaching staff. Your child's physical exam is good for the entire academic year. Driver's license physicals, work permit physicals, and department of health physical forms are NOT accepted in place of these forms. It also should be noted that physical vaccination forms for incoming freshmen will not be accepted in lieu of these forms and should be turned in separately from this form. A PIAA pre-participation physical must be turned in and signed by a physician after **June 1st 2021**. A PIAA pre-participation physical is effective until May 31st of that school year or the conclusion of the spring sports season. If your child is going in for physicals provided by the school, please have your child's FamilyID completed before they are seen by the physician. This is necessary for the physician to have access to your child's medical history. Registration opens June 1, 2021.

Sincerely,

Maggie Sturgill, MS, LAT, ATC, CES, PES
